**Real Crypto Enthusiasts Community**

Which We are Building

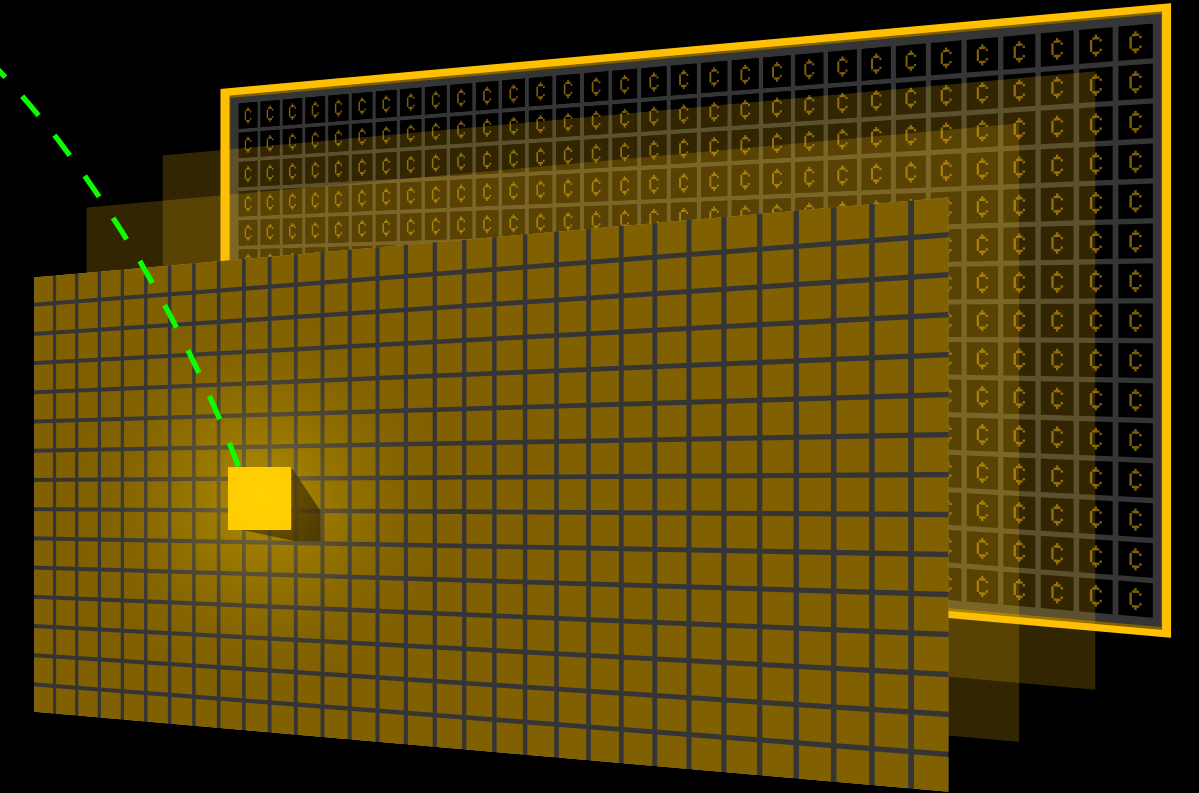

# Projects Concept

Our project Idea is really simple and unique

Our digital advertisement screen is made up of **1 million pixels**, and each pixel will be owned by our community members.

Right Now We Are

**Distributing Pixels**  
To Real Crypto Enthusiasts.

We have divided our Project Concept in **2 Phases**

# Phase One – 6 Months Duration

Jan 15, 2025 – 30 July, 2025

## ROADMAP

We are currently building community and distributing screen pixels to verified and real crypto enthusiasts.

### Collect Your Pixels

Get Benefits In Two Ways

1

### Convert Your Pixels to Token

To get early benefits from our token.

OR

PIXELS  
BENEFITS

2

### Lock Them To Collect More Pixels

**3x**

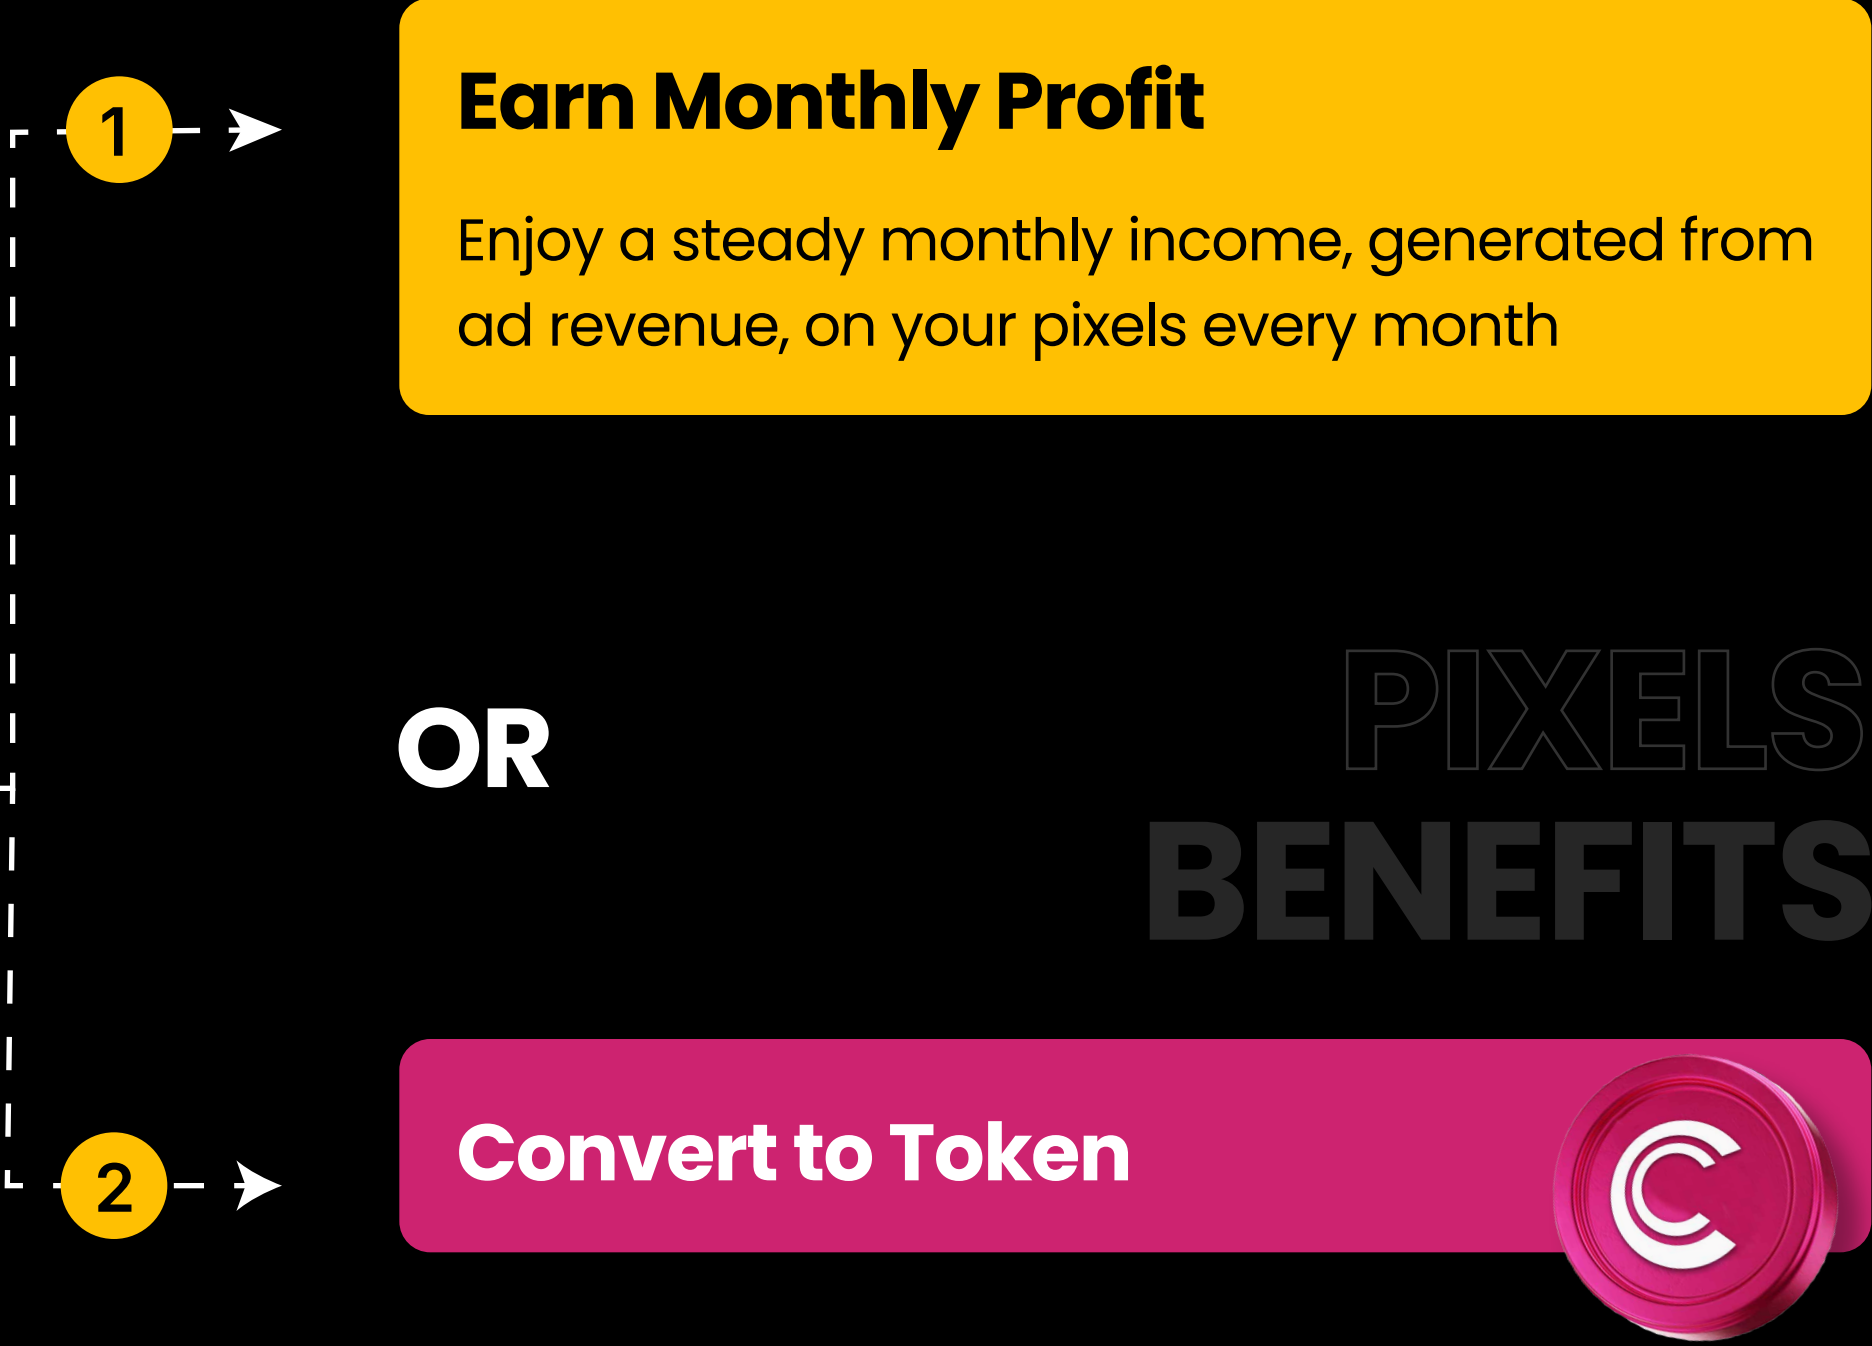

Your locked pixels  
In 6-months Airdrop Series

## Phase Two – Starting After 6 Months

Once all pixels are distributed, we'll start renting them out to leading crypto and Web3 projects to promote their brand with our verified crypto enthusiast community.

**With Your Pixels**

Get Benefits In Two Ways

**Important!** Only Pixels Can Be Converted to Tokens

# OUR TOKEN

**3 MILLION TOKEN SUPPLY**

## Unique Distribution

No pre-sale or ITO

Only way to acquire our tokens is through Pixel Conversion. No traditional pre-sale or Initial Token Offering (ITO)

## Controlled Circulation

No Token Flooding

Each month, a maximum of 33,000 pixels can be converted into tokens, ensuring a steady, limited supply.

# 6-Month Airdrop Series

- Every month **100,000 pixels** will be distributed.
- Only **33% (33,000)** can convert to tokens immediately,

While **67%** will be on Hold Status for 90 days to maintain balance.

***More Pixels, Bigger Rewards!***

*Every Pixel Counts – Collect More, Earn More!*

# Types of Pixels

There are two types of pixels Locked & open. Each having it's own benefits

## Open Pixels

A Gateway for Token Enthusiasts

Only open pixels are eligible for conversion to tokens at any time. Designed for those eager to seize the early benefits of token ownership.

## Locked Pixels

Tailored for Monthly Reward Lover

Locked for a 6-month period, ideal for those looking to triple their pixels and unlock exclusive benefits and rewards of pixels during Phase 1.

### Note:

- Tokens can only be obtained by converting open Pixels. (No ITO or pre-sale)
- Open Pixels are limited to 10,000 and available for a short time.

# **BENEFITS OF PIXELS**

## PHASE ONE

Pixels comes with amazing benefits in Phase One. Below are the details:

**i** Only For Locked Pixels

# Boost Airdrop Reward

Locking pixels boost your airdrop reward. Get up to 40% airdrop reward on your locked pixels, on every airdrop during our 6-months series.

## Distribution formula:

$$(\text{Your Locked Pixels} \div \text{Total Pixels of All Members}) \times 75,000$$

## Example:

If you own 1000 locked pixels, and the total pixels owned by all members are 150,000, your monthly pixel holding reward would be:

$$(1000 \div 150,000) \times 75,000 = 500 \text{ (Cap apply)}$$

## Note:

0-9 locked pixel holders will get a fixed monthly pixel distribution
